

# Workshop on Ultrafast Dynamics in Strongly Correlated Systems

## Monday, 4 April 2011

### Electrons and phonons (15:30 - 16:30)

time	[id] title	presenter
15:30	[6] Ultrafast changes in lattice symmetry probed by coherent phonons in VO <sub>2</sub>	WALL, Simon
15:50	[47] Nonequilibrium electron dynamics--photovoltaic Hall effect, ac-induced repulsion-attraction conversion	AOKI, Hideo
