

# Workshop on Ultrafast Dynamics in Strongly Correlated Systems

## Monday, 4 April 2011

### Ultracold atoms I (11:00 - 12:20)

time	[id] title	presenter
11:00	[16] Dynamical control of many-body interactions in lattice fermion systems	TSUJI, Naoto
11:20	[39] Nonlinear Current Response of an Isolated System of Interacting Fermions	MIERZEIEWSKI, Marcin
11:40	[17] Slow quench dynamics in ultracold atoms	KOLLATH, Corinna
