

Superconductivity and other new Developments in Gantry Design for Particle Therapy

Saturday, 19 September 2015

Other new developpments - Auditorium WHGA/001 (09:00 - 10:20)

-Conveners: David Meer

time	[id] title	presenter
09:00	[24] Welcome at PSI: Organization and GFA	Prof. RIVKIN, Leonid
09:20	[25] PSI Gantry 3	Dr KOSCHIK, Alexander
09:40	[26] Proton therapy at PSI	Dr SAFAI, Sairos
10:00	[27] Optimal Transport Systems for Treatment by Proton and Ion Beams	Mr KATS, Mark

Other new developpments - Auditorium WHGA/001 (10:40 - 11:10)

-Conveners: David Meer

time	[id] title	presenter
10:40	[28] A gantry design based on several identical superconducting magnets	Dr OWEN, Hywel
