PAUL SCHERRER INSTITUT

Call for Abstracts

7th International Conference

DENIM VII 2018

Design and Engineering of Neutron Instruments Meeting

16 September - 19 September 2018

Paul Scherrer Institut Villigen, Switzerland

Unique international conference of engineers working at neutron-centers.
On behalf of the International Society of Neutron Instrument Engineers (ISNIE) we announce the 1st call for abstracts.

We invite you to submit abstracts on the following topics:

- Shielding
- Vacuum vessels
- Monochromators
- Beam slits
- Collimators
- Analysis
- Motion
- Instrument Controls
- Choppers
- Polarization devices
- Neutron Guides
- Detector systems
- Instrument projects
- Instrument Electrical Systems
- Upgrades
- Dismounting
- Project management
- Operations & Maintenance

Abstracts will be submitted online:

http://indico.psi.ch/event/denim2018

Abstract submission opens:	*2 April 2018*
Registration opens:	*2 April 2018*
Abstract submission closes:	*10 June 2018*
Notification of acceptance:	*17 August 2018*
Registration closes:	*17 August 2018*

Conference Organization

Peter Keller, Sven Schütz, Raphael Müller, Dieter Graf, Christian Kägi, Roman Bürge, Pamela Knupp, Renate Bercher
