

PAUL SCHERRER INSTITUT

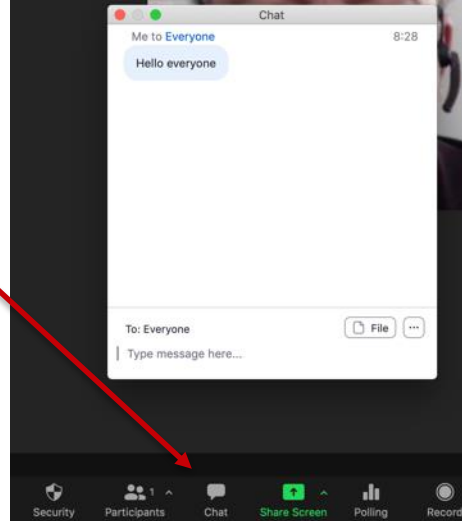

Stefan Ritt :: Head Muon Physics :: Paul Scherrer Institute

# Technicalities

High Intensity Muon Beam Physics Case Workshop

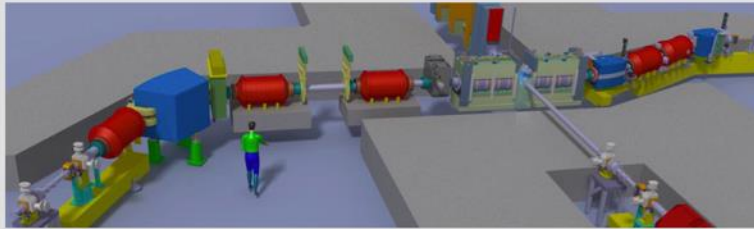

# How we run this workshop

- Ask contributions from everybody: **“Ask the right questions”**
- How to record questions?
  - Directly by team leaders
  - Put on Trello Board or write on Zoom Chat
  - Record meeting?
  - Trello will stay open even after our meeting
  - Team leaders will address questions
- Pleaser register on Indico → mailing list

Case	Parallel	Topic	Team
01	1A	Mu3e I	A. Schöning, N. Berger
02	1A	Mu3e II	A. Schöning, N. Berger
03	1B	muCool	A. Antognini, M. Aiba, A. Papa
04	1C	muSR I	T. Prokscha
05	2A	MEG	T. Mori, W. Ootani, A. Papa
06	2A	MEG-C	F. Renga, A. Schöning
07	2B	moments	P. Schmidt-Wellenburg, A. Crivellin
08	2C	muSR II	Z. Salman
09	3A	muSR III	H. Luetkens
10	3B	muonium	A. Soter, P. Crivelli
P	3C	pool	

Pool Case		Team
P1	mu-	F. Wauters
P2	e+/-	A. Papa
P3	mu decay	S. Davidson, A. Crivellin, A. Signer
P4	M-Mbar	U. Langenegger
P5	muon conversion	A. Knecht

## HIMB Physics Case Workshop

6-9 April 2021  
Zoom

Europe/Zurich timezone

Overview

Call for Abstracts

Timetable

Agenda

Video link for all meetings: [Zoom](#)

Trello link for questions: [Trello](#)

So you want to relax and attend another workshop? Sorry, then this might not be for you. This workshop has no attendees.

Trello

This board is set to public. You can change its visibility at any time. [Learn more here](#)

# Zoom Breakout Rooms

- We will use Breakout Rooms for parallel sessions (same URL)
- Please assign yourself to the right breakout room at the beginning of the parallel sessions
- You can even switch the room during the session

- Please mute yourself if you are not speaking
- Please "raise hand" if you want to speak
- Please turn on video for your talk
- We might use zoom's polling feature
- Questions:
  - Chat to "Stefan Ritt" or "Frank Meier"
  - Email to [stefan.ritt@psi.ch](mailto:stefan.ritt@psi.ch)
