

# HIMB Physics Case Workshop

<https://indico.psi.ch/e/himbws>

- Particle Physics Case and  $\mu$ SR Physics Case
- assume we have HIMB, what can we do ?
- what is HIMB ? [HIMB-3](#), [HIMB-5](#), [HIMB-cool](#) → 'HIMBscenarios.pdf'
- physics case split into 10 cases + pool
- aim: have a document ready for each case by September  
→ team leaders: please **keep going after the workshop....**
- this workshop is to collect input for experiments from you

**we plan to record the sessions**

# HIMB Workshop 6-9 April 2021

# how to give input

- put question into Trello
- ask question in Zoom chat → Trello
- ask question after plenary talk  
(no long discussions please → parallel session)
- take part in parallel session
- offer to show 1 or a few slides in parallel session
