Dear guests - and friends “ HOTEL TERMINUS BRUGG ”

The Hotel is going to be upgraded to the latest standards of a good middleclass business Hotel Garni “Room & Breakfast”. One construction stage after the other is being addressed according to our financial possibilities.

Today all our 45 rooms have en-suite bath/toilet or shower/toilet. All the windows are soundproof. Every room offers a TV, a fridge (with a free welcome-drink for you - every day!), direct dial telephone for incoming calls, free Internet (WLAN) by Swisscom in all the rooms, a desk with chair, an armchair, a big mirror and curtains for day and night. All the rooms are decorated with original pictures. And there is much more - depending on the room you choose.

It goes without saying that the 5th generation of the family Lang still welcomes and says goodbye to their guests personally. Our tradition of being hosts goes back to 1871 (which makes 148 years). The guesthouse opposite the train station in Brugg has been owned by our family since 1895.

- *and over **Christmas/New Year** from the 19th December 2020 until the 03rd January 2021*

Due to financial considerations we decided in 2006 to let ¾ of the ground floor to different business establishments (preferred business location):

- In summer 2007 the **“Tut’s Kebab Corner”** - a small snack bar - was opened.
- In summer 2008 the renovation of the office of the real estate agency **“RE/MAX”**, which has been using our rooms for some time, was accomplished.
- And on 23rd May 2009 the **“Raiffeisenbank Wasserschloss”** opened the branch office in Brugg inside the Terminus building opposite the train station.

~~~ TIME TO COME ~~~

Once the renovation work of our hotel (guestrooms, reception area, lobby) is finished, we’re planning to open up a **new model railway museum on the 1<sup>st</sup> floor** (in addition to the private model railway layout in the attic, which can still be visited by the public). Amidst this museum the breakfast room will be set up. (Railway culture already for breakfast!)

For the rest of the day, this whole room can be rented by **private functions up to 40 persons for banquets**, including our culinary treats (meals and beverages)!

Aren’t these interesting and varied future prospects for you and your guests?

You see, not just **around** the station of Brugg - but also **inside** the Hotel Terminus in Brugg there are going to be alterations. We are building and creating new things to enjoy them for our families, our guests, our tenants and neighbours - and in order to create the best conditions for the next generation to take over ...

As a reliable little, family run establishment we try to leave nothing to be desired by our guests, today as well as in the future. We trust in our common sense.

We’re looking forward to continue a successful teamwork furthermore.
