

European Cyclotron Progress Meeting 2012

Wednesday, 9 May 2012 - Saturday, 12 May 2012

PSI

Scientific Programme

The European Cyclotron Progress Meeting (ECPM) is devoted to physics and technology of cyclotrons, their applications and related topics. Status reports of existing facilities will be presented as well as new developments and evolving projects. The meeting has an informal character. The talks will be available on the website, however proceedings will not be published.

New on May 29, 2012: Talks and Posters are published under Timetable, detailed view.
