

Workshop on Topology in Magnetic Materials

Tuesday, November 22, 2022

SESSION 1: Introductory Lectures: SESSION 1: Introductory Lectures (9:15 AM - 12:00 PM)

time	[id] title	presenter
9:15 AM	[4] Magnetism in topological materials from insulators to metals	BATISTA, Cristian
10:15 AM	Coffee break	
11:00 AM	[5] Experimental perspective on the field of magnetism in bulk topological materials	CHECKELSKY, Joseph
