

Workshop on Topology in Magnetic Materials

Wednesday, November 23, 2022

TUTORIAL SESSION: Multi-k spin textures, merons, skyrmions... (7:30 PM - 9:30 PM)

time	[id] title	presenter
7:30 PM	[18] Magnetic symmetry for multi-k structure models	POMJAKUSHIN, Vladimir
8:10 PM	[17] Multi-k from neutron single diffraction + SANS	SIMETH, Wolfgang
8:50 PM	[16] X-ray resonant magnetic scattering and imaging	UKLEEV, Victor
