

Workshop on Topology in Magnetic Materials

Thursday, November 24, 2022

CLOSING SESSION: perspectives and new directions (2:40 PM - 4:10 PM)

time	[id] title	presenter
2:40 PM	[22] Future perspective on experimental phenomena involving topology and magnetism	TOKURA, Yoshinori
3:25 PM	[23] Future theoretical perspective on phenomena involving topology and magnetism	SPALDIN, Nicola
