

HEARING: High-resolution structural and functional EAR imagING

Tuesday, 23 May 2023

Morning Session IV: Scientific Session: Applications of Synchrotron Imaging - part II (10:40 - 12:00)

-Conveners: Anne Bonnin; Daniel Lee

time	[id] title	presenter
10:40	[33] Synchrotron techniques in bones research	Dr DEJEA I VELARDO, Hector
11:00	[34] SR X-PCI imaging - anatomy of the inner and middle ear	Dr LI, Hao
11:20	[31] From Images to Finite-Element Models of the Middle Ear: The Role of Synchrotron Imaging	Prof. LADAK, Hanif
11:40	[37] Discussion
