

**Amyloid proteins meet physics: from X-rays and neutrons over electrons to magnetism**

Contribution ID: 3

Type: **not specified**

**Coherent Electron Diffractive Imaging in single particle cryo-EM**

*Monday 5 September 2022 09:00 (30 minutes)*

**Presenter:** STAHLBERG, Henning (EPFL, Electron diffraction and imaging)

**Session Classification:** Visualising amyloid deposits by X-rays and electrons
