

Amyloid proteins meet physics: from X-rays and neutrons over electrons to magnetism

Contribution ID: 4

Type: **not specified**

X-ray nanotomography of biological tissues by ptychographic tomography

Monday, September 5, 2022 9:30 AM (20 minutes)

Presenter: DIAZ, Ana (PSI, cSAXS beamline, X-ray ptychography imaging)

Session Classification: Visualising amyloid deposits by X-rays and electrons
