

# Amyloid proteins meet physics: from X-rays and neutrons over electrons to magnetism

Contribution ID: 5

Type: **not specified**

## **X-ray phase contrast tomography at the TOMCAT beamline: a focus on brain imaging**

*Monday, September 5, 2022 9:50 AM (20 minutes)*

**Presenter:** BONNIN, Anne (PSI, Tomcat beamline, X-ray phase contrast imaging)

**Session Classification:** Visualising amyloid deposits by X-rays and electrons
