Dear Valentina,

In response to your request, we are very pleased to inform you that:

EBAMP accredits the **“4D workshop and RAPTOR loop engagement coordinated events”** to be held from **10th to 15th September 2023** at **PSI, Villigen and ETH, Centro Congressi Stefano Frascini, Ascona, Switzerland**, as a CPD event for Medical Physicists at **EQF Level 7**.

The event has been judged to have **33** hours of educational experience, which, according to the EBAMP protocol is equivalent to **41 CPD points**.

The Accreditation Code for the event is: APP00239

Please remember that the following text:

“This course has been accredited by EBAMP as a CPD event for Medical Physicists at EQF Level 7”

is mandatory in the publicity of the event and in the diplomas / certificates awarded to participants. Yours faithfully,

Prof. P. Julkunen
President of EBAMP

Ms. M Moore
Secretary General of EBAMP
