

NIUS2012 - ESS Neutron Imaging User Symposium

Monday, 16 April 2012

Plant / Soil interaction - "Himmelrych" (10:30 - 12:00)

-Conveners: Nikolay Kardjilov

time	[id] title	presenter
10:30	[7] Imaging water flow in soils and roots	Prof. CARMINATI, Andrea
11:00	[16] Contribution of neutron imaging to assess key processes at the root-soil interface	Prof. OSWALD, Sascha
11:30	[89] The influence of heterogeneous water and phosphorus supply on root growth in soil	Mr FELDERER, Bernd
