

# NIUS2012 - ESS Neutron Imaging User Symposium

## Wednesday, 18 April 2012

### Water transport I - "Himmelrych" (08:30 - 10:00)

-Conveners: Eberhard Lehmann

time	[id] title	presenter
08:30	[41] ANTARES Upgrade - The New Imaging Beam Line at FRM II	SCHULZ, Michael
09:00	[81] Quantitative in-situ neutron imaging of non-equilibrium soft and complex matter systems using cold neutrons	Dr HERMES, Helen
09:30	[90] Influence of pore size and fluid-wall interactions on the imbibition of a fluid in silica mesoporous materials	Dr PANTALEI, Claudia
