Contribution ID: **58**                                                                                          Type: **Oral**

# Implementing user-defined superconductivity formulations with the COMSOL Multiphysics® software in an efficient and reusable way

*Wednesday 12 June 2024 09:00 (20 minutes)*

see Word file

## Topic

Coupled and uncoupled multiphysics problems

**Primary author:**   FRIEDEL, Sven (COMSOL Multiphyiscs GmbH)

**Co-author:**   ARSENAULT, Alexandre (PSI - Paul Scherrer Institut)

**Presenter:**   FRIEDEL, Sven (COMSOL Multiphyiscs GmbH)

**Session Classification:**   Key-note presentations from sponsors
