About the «Guided tour through the Wettingen Abbey»

In 1227, the Maris Stella abbey was founded on the Limmat Peninsula. For over 600 years, monks of the Cistercian order lived, worked and taught here. To this day, Wettingen Abbey is a lively place of education. Immerse yourself in the history and life of the abbey from its founding in the Middle Ages to the present day. Explore the monastery church with its magnificent choir stalls and the cloister.
