

# 23rd International Magnet Measurement Workshop: IMMW #23

## Tuesday 8 October 2024

### Session 3: Hall probe/NMR/Fluxmeter (09:00 - 12:00)

time	[id] title	presenter
09:00	[57] Latest Developments in Magnetic Measurements	SONGEON, Julien
09:30	[58] SENIS Advanced Sensors and Instruments for Magnetic Field and Electric Current Measurement	URBAN, Maciej
10:00	Coffee break	
10:30	[59] Hall mapper for sorting permanent magnets	VAGIN, Pavel
11:00	[60] Three-dimensional magnetic field mapping system for large spectrometer magnets utilizing on-fly technology	FENG, Wentian
11:30	[61] Vibrating-Wire Magnetic-Axis Measurement of SLS2.0 Multipole Magnets	AIBA, Masamitsu
