

Session Program

6-11 Oct 2024

23rd International Magnet Measurement Workshop: IMMW #23

Session 3: Hall probe/NMR/Fluxmeter

Parkhotel Bad Zurzach, Switzerland

Tuesday 8 October

09:00

Session 3: Hall probe/NMR/Fluxmeter

Session | Location: Parkhotel Bad Zurzach, Switzerland

09:00–09:30

Latest Developments in Magnetic Measurements

Speaker

Julien Songeon

09:30–10:00

SENIS Advanced Sensors and Instruments for Magnetic Field and Electric Current Measurement

Speaker

Maciej Urban

10:00–10:30

Coffee break

10:30–11:00

Hall mapper for sorting permanent magnets

Speaker

Pavel Vagin

11:00–11:30

Three-dimensional magnetic field mapping system for large spectrometer magnets utilizing on-fly technology

Speaker

Wentian Feng

11:30–12:00

Vibrating-Wire Magnetic-Axis Measurement of SLS2.0 Multipole Magnets

Speaker

Masamitsu Aiba

12:00
