

# Porthos Workshop: Science opportunities at a fully coherent, femtosecond-synchronized, variable polarization, tender to hard x-ray XFEL

Contribution ID: 2

Type: **not specified**

## Introduction to the workshop and background

*Tuesday 28 November 2023 10:45 (30 minutes)*

**Presenter:** BOSTEDT, Christoph (PSI - Paul Scherrer Institut)

**Session Classification:** Introduction to Porthos and Accelerator Concepts
