

Porthos Workshop: Science opportunities at a fully coherent, femtosecond-synchronized, variable polarization, tender to hard x-ray XFEL

Contribution ID: 2

Type: **not specified**

Introduction to the workshop and background

Tuesday, November 28, 2023 10:45 AM (30 minutes)

Presenter: BOSTEDT, Christoph (PSI - Paul Scherrer Institut)

Session Classification: Introduction to Porthos and Accelerator Concepts
