

**Porthos Workshop: Science opportunities at a fully coherent,
femtosecond-synchronized, variable polarization, tender to hard x-ray XFEL**

Contribution ID: 10

Type: **not specified**

Attosecond entanglement and coherence

Tuesday, 28 November 2023 16:30 (35 minutes)

Presenter: VRAKKING, Mark (Max-Born-Institute, Berlin)

Session Classification: Attosecond Sciences
