

**Porthos Workshop: Science opportunities at a fully coherent,  
femtosecond-synchronized, variable polarization, tender to hard x-ray XFEL**

Contribution ID: 29

Type: **not specified**

## **Coherences in (bio-)molecular systems**

*Wednesday, 29 November 2023 17:40 (35 minutes)*

**Presenter:** VAN THOR, Jasper (Imperial College, London)

**Session Classification:** Chemistry and Chemical Biology
