

Porthos Workshop: Science opportunities at a fully coherent, femtosecond-synchronized, variable polarization, tender to hard x-ray XFEL

Tuesday, 28 November 2023

International FEL Context: International FEL Context (14:00 - 16:00)

-Conveners: Christoph Bostedt

time	[id] title	presenter
14:00	[6] The European XFEL hard X-ray strategy	BEAN, Richard
14:35	[7] Short wavelength, fully coherent light experiments at FERMI	PRINCE, Kevin
15:10	[8] Attosecond X-ray sciences at LCLS	CRYAN, James
15:45	[9] QA
