

# **Porthos Workshop: Science opportunities at a fully coherent, femtosecond-synchronized, variable polarization, tender to hard x-ray XFEL**

## **Tuesday, November 28, 2023**

**International FEL Context: International FEL Context (2:00 PM - 4:00 PM)**

**-Conveners: Christoph Bostedt**

time	[id] title	presenter
2:00 PM	[6] The European XFEL hard X-ray strategy	BEAN, Richard
2:35 PM	[7] Short wavelength, fully coherent light experiments at FERMI	PRINCE, Kevin
3:10 PM	[8] Attosecond X-ray sciences at LCLS	CRYAN, James
3:45 PM	[9] QA
