

# **Porthos Workshop: Science opportunities at a fully coherent, femtosecond-synchronized, variable polarization, tender to hard x-ray XFEL**

## **Tuesday, 28 November 2023**

### **Attosecond Sciences: Attosecond Sciences (16:30 - 18:30)**

**-Conveners: Kirsten Andrea Schnorr**

time	[id] title	presenter
16:30	[10] Attosecond entanglement and coherence	VRAKING, Mark
17:05	[11] Quantum dynamics and control	PFEIFER, Thomas
17:40	[12] Extending attochemistry to solvated and chiral molecules	WÖRNER, Hans-Jakob
18:15	[13] QA
