

Porthos Workshop: Science opportunities at a fully coherent, femtosecond-synchronized, variable polarization, tender to hard x-ray XFEL

Tuesday, November 28, 2023

Attosecond Sciences: Attosecond Sciences (4:30 PM - 6:30 PM)

-Conveners: Kirsten Andrea Schnorr

time	[id] title	presenter
4:30 PM	[10] Attosecond entanglement and coherence	VRAKING, Mark
5:05 PM	[11] Quantum dynamics and control	PFEIFER, Thomas
5:40 PM	[12] Extending attochemistry to solvated and chiral molecules	WÖRNER, Hans-Jakob
6:15 PM	[13] QA
