

DEI Session: Invited Speaker

**Alexandra Pedersen, PhD (she/her/hers)**  
**Manager for EDII Capacity Development**  
[alexandra.pedersen@mcdonaldinstitute.ca](mailto:alexandra.pedersen@mcdonaldinstitute.ca)

Alexandra “Alex” Pedersen, PhD (she/her/hers) is the Manager for Equity, Diversity, Inclusion, and Indigenization (EDII) Capacity Development with the McDonald Institute. Alex previously held the Business Development Officer role with the Institute from 2019-2023. As the Manager for EDII Capacity Development, she works with faculty, postdocs, staff, and students to make the Canadian astroparticle physics community more diverse and inclusive. Alex is an experienced leader who has implemented and enhanced organizational EDII strategies, programs, and initiatives. She holds a Doctorate in Human Geography (Queen’s University), a Master’s in International Studies (University of Northern British Columbia), and a Bachelor’s (Honours) in International Development

Studies (University of Guelph). In her spare time, Alex is an executive board member and volunteer with several local and national non-profit organizations, and is an energetic beekeeper in the Kingston community.
