

## **Session Program**

**Sep 17 - 18, 2024**

# **APAL Final seminar: Advanced deterministic and probabilistic integrity analyses of RPVs subjected to PTS Loading - Lessons learned from APAL**

## ***Advanced thermal-hydraulics analysis procedures***

IRSN: Institute for Radiation Protection and Nuclear Safety  
31, avenue de la Division Leclerc 92260 Fontenay-aux-Roses, France

## Tue, September 17

11:00 AM

### Advanced thermal-hydraulics analysis procedures: Advanced thermal-hydraulics analysis procedures

**Session** |

**Location:** IRSN: Institute for Radiation Protection and Nuclear Safety, 31, avenue de la Division Leclerc 92260 Fontenay-aux-Roses, France

11:00 - 11:40 AM

#### Introduction to Thermo-Hydraulics

**Speaker**

Pavel Kral

11:40 AM - 12:25 PM

#### Uncertainties and BEPU analysis

**Speaker**

Ivor Clifford

12:25 PM
