

Session Program

Sep 17 - 18, 2024

APAL Final seminar: Advanced deterministic and probabilistic integrity analyses of RPVs subjected to PTS Loading - Lessons learned from APAL

Best practice for advanced PTS analysis IV

IRSN: Institute for Radiation Protection and Nuclear Safety
31, avenue de la Division Leclerc 92260 Fontenay-aux-Roses, France

Wed, September 18

3:00 PM

Best practice for advanced PTS analysis IV: Best practice for advanced PTS analysis IV

Session |

Location: IRSN: Institute for Radiation Protection and Nuclear Safety, 31, avenue de la Division Leclerc 92260 Fontenay-aux-Roses, France

3:55 PM

15:00 - 15:55

Probabilistic PTS analyses and uncertainties II

Speaker

Andrey Shipsha
