

X-ray & neutron spectroscopy, scattering, and imaging in atmospheric chemistry

Contribution ID: 1

Type: **not specified**

Welcome & Introducing the Science

Wednesday 13 November 2024 13:00 (30 minutes)

Workshop goals | Overview LAC science | A brief history of atmospheric chemistry at PSI's large facilities

Significance

Presenters: MOHR, Claudia (PSI); AMMANN, Markus (PSI - Paul Scherrer Institut)
