

Session Program

3-5 Jun 2025

12th International Workshop on Radiation Damage to Biological Samples

***Radiation Damage in Complementary Fields
including Biological Imaging***

Paul Scherrer Institut, Auditorium
Forschungsstrass 111 5232 Villigen PSI Switzerland

Wednesday 4 June

16:30

Radiation Damage in Complementary Fields including Biological Imaging

Session | Location: Paul Scherrer Institut, Auditorium, Forschungsstrass 111 5232 Villigen PSI Switzerland | Convener: Daniele DE SANCTIS

16:30-17:00

High-dose effects in high-resolution X-ray microscopy of soft materials

Speaker

Ana DIAZ

17:00-17:30

Coherent X-rays Reveals Radiation-Induced Dynamics in Hydrated Proteins

Speaker

Foivos PERAKIS

17:30-18:00

Radiation damage in time-resolved X-ray solution scattering experiments

Speaker

Magnus P. ANDERSSON

18:00
