

Session Program

Jun 3 - 5, 2025

12th International Workshop on Radiation Damage to Biological Samples

Radiation Damage in Complementary Fields including Biological Imaging

Paul Scherrer Institut, Auditorium
Forschungsstrass 111 5232 Villigen PSI Switzerland

Wed, June 4

4:30 PM

Radiation Damage in Complementary Fields including Biological Imaging

Session | **Location:** Paul Scherrer Institut, Auditorium, Forschungsstrass 111 5232 Villigen PSI Switzerland | **Convener:** Daniele DE SANCTIS

4:30 - 5:00 PM

High-dose effects in high-resolution X-ray microscopy of soft materials

Speaker

Ana DIAZ

5:00 - 5:30 PM

Coherent X-rays Reveals Radiation-Induced Dynamics in Hydrated Proteins

Speaker

Foivos PERAKIS

5:30 - 6:00 PM

Radiation damage in time-resolved X-ray solution scattering experiments

Speaker

Magnus P. ANDERSSON

6:00 PM
