

Session Program

3-5 Jun 2025

12th International Workshop on Radiation Damage to Biological Samples

Radiation Damage in Temperature Controlled Crystallography

Paul Scherrer Institut, Auditorium
Forschungsstrass 111 5232 Villigen PSI Switzerland

Thursday 5 June

11:00

Radiation Damage in Temperature Controlled Crystallography

Session | **Location:** Paul Scherrer Institut, Auditorium, Forschungsstrass 111 5232 Villigen PSI Switzerland

11:00-11:30

Exploring Ligand-Protein Interactions at Multiple Temperatures Using Macromolecular Crystallography

Speaker

Chia-Ying HUANG

12:00
