

## **Session Program**

**3-5 Jun 2025**

## **12th International Workshop on Radiation Damage to Biological Samples**

### ***Pump-Laser Excitation Conditions in Time- Resolved Serial Femtosecond Crystallography***

Paul Scherrer Institut, Auditorium  
Forschungsstrass 111 5232 Villigen PSI Switzerland

## Thursday 5 June

09:00

### **Pump-Laser Excitation Conditions in Time-Resolved Serial Femtosecond Crystallography**

**Session** | **Location:** Paul Scherrer Institut, Auditorium, Forschungsstrass 111 5232 Villigen PSI Switzerland

10:00–10:30

### **Ultrafast structural changes in myoglobin: influence of pump laser fluence**

**Speaker**

Thomas R.M. BARENDS

10:30
