

Session Program

3-5 Jun 2025

12th International Workshop on Radiation Damage to Biological Samples

Damage at New Sources - XFELs and 4th Generation Synchrotrons

Paul Scherrer Institut, Auditorium
Forschungsstrass 111 5232 Villigen PSI Switzerland

Tuesday 3 June

16:00

Damage at New Sources - XFELs and 4th Generation Synchrotrons

Session | **Location:** Paul Scherrer Institut, Auditorium, Forschungsstrass 111 5232 Villigen PSI Switzerland |

Convener: Nadja ZATESPIN

17:30-18:00

Investigation of radiation damage in room temperature serial macromolecular crystallography at a fourth generation Synchrotron

Speaker

Samuel L. ROSE

18:00
