### MEG

**Session** | **Location:** PSI, WHGA/001 - Auditorium

11:20–11:40

#### Evaluating noise suppression algorithms for whole-head OPM-MEG

**Speaker**

Christoph Pfeiffer

11:40–12:00

#### Gamma-band responses in early visual cortices to natural images: broadband gamma is not really broadband

**Speaker**

Mikael Grön

12:00–12:20

#### High-Density OPM-MEG

**Speaker**

Joseph Gibson

12:20–12:40

#### OPM-MEG versus SQUIDS MEG for object decoding via multivariate patter analysis

**Speaker**

Dr Yulia Bezsudnova

12:40
