

Session Program

13 September 2025

Neutron Lifetime Puzzle

Recent Advances in Neutron Lifetime Measurements

PSI, WHGA/001 - Auditorium

Saturday 13 September

10:40

Recent Advances in Neutron Lifetime Measurements

Session | **Location:** PSI, WHGA/001 - Auditorium | **Convener:** T. M. Ito

10:40–11:10

Current status and future activities of UCNtau+

Speaker

Susan Seestrom

11:10–11:55

The NIST Beam Neutron Lifetime Experiments

Speaker

Fred Wietfeldt

11:55–12:25

A new results of neutron lifetime measurement with cold neutron beam at J-PARC

Speaker

Kenji Mishima

12:25
