

Session Program

13 September 2025

Neutron Lifetime Puzzle

Future Measurements and Experimental Strategies I

PSI, WHGA/001 - Auditorium

Saturday 13 September

14:30

Future Measurements and Experimental Strategies I

Session | **Location:** PSI, WHGA/001 - Auditorium | **Convener:** Wolfgang Schreyer

14:30–15:00

τ SPECT- towards a new measurement of the free neutron lifetime in a full-3D magnetic trap

Speaker

Prof. Martin Ferli

15:00
