

Session Program

12-16 Jan 2026

X-ray Sensor Joint Workshop - From Soft to Hard X-rays

HiZPAD - Applications

ETH, ML E12
Rämistrasse 101 8092 Zürich Switzerland

Thursday 15 January

15:45

HiZPAD - Applications

Session | **Location:** ETH, ML E12, Rämistrasse 101 8092 Zürich Switzerland

15:45-16:45 **Keynote: High-Z requirements and developments with Timepix4**

Speaker

David Pennicard

16:45-17:15

In-laboratory protocol for the quantitative assessment of the time-dependent response of detectors equipped with high-Z sensors under high-energy X-ray irradiation

Speaker

Fabienne Orsini

17:15-17:45

Development of Multi-Energy Hard X-ray Cameras for Thermal and Non-Thermal Plasmas

Speaker

Luis F. Delgado-Aparicio

17:45
