Updates

AWI Department Meeting

Simon Ebner, et. al.
03 March 2025

- New Git Server available at <https://gitea.psi.ch> (**Beta**)
- **There will be no license costs !**
- Server is reachable from all over PSI + Internet
 - o Internet access - https only -> coming soon
- Available for all PSI users
- External Users can login – however they only see projects explicitly given access
- Invite people to migrate their projects
 - o Migrated Users / Projects (Until June) will not be billed end of 2025

- Puppet repository mirror - test puppet server will switch this week, production will switch next
- More details to come ...
- Contact point for questions/problems git@psi.ch

Questions ?
