

## **Session Program**

**14-16 Oct 2025**

**QUANTUM SPIN ICE**  
second international workshop

## **Second International Workshop on Quantum Spin Ice**

***Concluding remarks (20 min) and two non-pyrochlore talks (15+5 min)***

## Thursday 16 October

15:45

**Concluding remarks (20 min) and two non-pyrochlore talks (15+5 min)**  
**Session**

16:05–16:20

**XXZ Crystal Field Excitons in the Honeycomb van der Waals Magnet HoBr<sub>3</sub>**

**Speaker**

Abraham Hernández

16:25–16:40

**High temperature 2D spin correlations in triangular lattice NaCrS<sub>2</sub>**

**Speaker**

Zeno Maesen

16:45
