

Session Program

30 September 2025 to 1 October 2025

PSI-RAL-Meeting

Project overviews: Technology Session 1

PSI West

Tuesday 30 September

13:45

Project overviews: Technology Session 1: Project 1: Neutron imaging

Session | Location: PSI West | Convener: Michel Kenzelmann

14:00

14:00

Project overviews: Technology Session 1: Project 4: X-ray sample environments

Session | Location: PSI West

14:15

14:15

Project overviews: Technology Session 1: Project 2: Neutron optics

Session | Location: PSI West

14:30

14:30

Project overviews: Technology Session 1: Project 7: X-ray data analysis

Session | Location: PSI West

14:45

14:45

Project overviews: Technology Session 1: Project 3: Neutron pressure cells

Session | Location: PSI West

15:00

15:00

Project overviews: Technology Session 1: Project 10: X-ray Fresnel zone plates

Session | Location: PSI West

15:15
