

Session Program

2-6 Nov 2026

**27th Symposium on Photonics and Optics
(SPO 2026)**

***Workshop on Advanced Laser Science and
Applications***

Online (Zoom)

Tuesday 3 November

09:10

Workshop on Advanced Laser Science and Applications: Session 1: Ultrafast Laser Sources and Amplification

Session | **Location:** Online (Zoom) | **Convener:** Rostyslav Danylo

09:10–10:00

Overview of Optical Parametric Chirped-Pulse Amplification

Speaker

Federico J. Furch

10:50

10:00–10:50

Title to be announced

Speaker

Ondřej Hort

11:10

Workshop on Advanced Laser Science and Applications: Session 2: High-Intensity Pulses and Attosecond Science

Session | **Location:** Online (Zoom) | **Convener:** Rostyslav Danylo

11:10–12:00

The art of post-compression of intense light pulses

Speaker

Tamás Nagy

12:00–12:50

Title to be announced

Speaker

Cord Arnold

13:00

12:50–13:00

Closing of the workshop
