

Physics of fundamental Symmetries and Interactions - PSI2010

Thursday, 14 October 2010

Session Th - 2 - Main Auditorium (WHGA/001) (11:00 - 13:00)

time	[id] title	presenter
11:00	[130] from Silicon-, via Gas-, towards Foil tracking detectors	Dr VAN DER GRAAF, Harry van der Graaf
11:30	[2] A New High-Sensitivity Muon-to-Electron Conversion Search at Fermilab	Dr BERNSTEIN, Robert Bernstein
12:00	[72] Ultraslow muonium for a muon beam of ultrahigh quality	Dr TAQQU, David
12:20	[60] A novel mu to 3e experiment	Prof. SCHOENING, Andre
12:40	[80] Can CP-violation be observed in heavy-ion collisions?	Prof. KHRIPLOVICH, I. B.
