

# ESS Science Symposium - Neutrons for Future Energy Strategies

## Tuesday, 28 May 2013

### Session VII - WBGB / 19 (17:00 - 18:50)

time	[id] title	presenter
17:00	[58] Molecular Spectroscopy, Computer Modelling and the State of the Art in INS spectroscopy for Energy Materials	Dr TIMMY, Ramirez-Cuesta
17:40	[70] Proton dynamics in polymeric electrolyte membranes for high-temperature fuel cells: incoherent neutron scattering study	Dr IVANOVA, Oxana
18:10	[56] ESS – Instrumentation at the European neutron source of the future	Dr STROBL, Markus
