

ESS Science Symposium - Neutrons for Future Energy Strategies

Tuesday, 28 May 2013

Session V - WBGB / 19 (09:00 - 11:00)

time	[id] title	presenter
09:00	[61] Using neutron and synchrotron sources for in industrial catalysis	Dr MOLENBROEK, Alfons
09:40	[64] Status Report of the J-PARC MLF (The J-PARC Materials & Life Science Experimental Facility)Status Report of the J-PARC MLF (The J-PARC Materials & Life Science Experimental Facility)	Dr ARAI, Masatoshi
10:20	[63] Neutron imaging and advanced electrochemical analysis of operating fuel cells	Dr BOILLAT, Pierre
